Paper under disposal

31) The Inspector-General of Prisons represents that, owing to the various activities in recruiting for Military service and to the prevalence of high wages for unskilled labour, much difficulty is experienced in procuring suitable men for the posts of warders and recommends that the pay of warders and head-warders in both the Jails be increased by Rs.2/- each, the extra cost being met by re-appropriation from general savings in the provision made for the Prisons Department.

32) In view of the fact that the present labour conditions are somewhat abnormal, the Members of Council are in favour of giving an increase of one rupee each to the head-warders, III grade, and to all the warders, I and II grades and temporary, who are at present drawing Rs.10, 9, 8 and 7 respectively; but they think that instead of increasing the expenditure permanently, the increased emoluments may be treated as allowances and sanctioned for a period of one year in the first instance.

FINAL NOTE BY THE EXTRAORDINARY MEMBER OF COUNCIL.

Subject:- Temporary revision of the emoluments of the Warders of the Jails in Mysore.

- - - -

In Proceedings No.J.4248-9/Prisons 26-17-7 dated 17th April 1918, Government sanctioned an increase of one rupee each to the Head Warders 3rd grade, all the Warders of the 1st and 2nd grades and the temporary Warders drawing Rs.10,9,8 and 7 respectively, for a period of one year in the first instance, the increase being treated as an allowance.

The Inspector-General of Prisons brings to the notice of Government that the increase sanctioned is inadequate and considerable difficulty is still experienced in getting suitable men for jail service and requests that in modification of the Government Order of the 17th April 1918, the emoluments of the Warders and Head Warders may, as originally recommended by him, be increased by Rs.2 each. The matter was considered by the Council and the Members are of opinion that a further increase of one rupee each may be sanctioned temporarily to the Warders for the same period as the increase already granted and treated in the same way as an allowance.

In the meanwhile the Inspector-General of Prisons has be asked to keep himself in communication with the Military authorities and arrange to secure, if possible, retired military men invalided and discharged from the Military Department but still fit for service in other departments like the Jail, to fill up the large number of vacancies at present existing in the Warder establishment of the Central Jail, as these men are likely to b found quite suitable and to do very well as Wardens.

To

General Department, Bangalore.

Sir,

In forwarding herewith, the copies of the marginally noted communications received from the Superintendent, Central Jail, Bangalore, explaining the difficulties experienced in procuring suitable men for the posts of warders in the Jail, I have the honor to report that, owing to the various activities in recruiting for Military service and to the prevalence of high wages even for unskilled labour, it has become impossible to find honest and hard working men for Jail service. The pay and prospects attached to the Warder's Establishment is not so attractive as it is in case of the Police and other Departments of the State.

2. The Superintendent has reported that the number of absentees among the warders is increasing day by day and, if the same is to continue any longer, it may become very hard to cope with the ordinary requirements of the Jail work. In order to keep up the full strength of the Jail warder's establishment, I recommend that the proposal made by the Superintendent to increase, by Rs 2/- each, the pay of warders and Head warders in both the Jails may be sanctioned at an early date. The strength of the warders and the increased rate of pay proposed, are noted hereunder:-

Inspector General of Prisons in Mysore,

B A N G A L O R E.

Sir,

I have the honor to invite the favour of a reference to this office No. 755/F 12 dated the 3rd July 1917, and to bring to your kind notice that the number of absentees among the Warder Establishment, has been increasing gradually. Consequent on the paucity of the warders, the Palace gang had to be reduced from 50 to 40 for the past few days.

2. Unless the pay of the warders is increased by Rs. 2/- each in each grade, as proposed in the above, it is found very difficult to procure men for the Jail either from any other department or from outside.

3. Even the men, who do not satisfy the conditions in regard to the height and chest measurements, prescribed by Government in their order No. J. 4636/Pris 35-15-19 dated 26-5-1916--Vide Section 174 of the New Mysore Jail Manual, could not be procured for temporary posts i.e., warders on a small pay of Rs. 7/- each per mensem.

4. Much inconvenience and difficulty has been experienced for the purpose of guarding the Jail both day and night, as also for guarding nine condemned prisoners who are in custody at present and for guarding prisoners working out-door and in the garden.

5. Even old men, who are thrown in other departments such as Police, Excise and Military could not be obtained for Jail duty.

6. Under the above circumstances I request that necessary sanction of Government for the increase of pay of the warders as suggested above, may kindly be obtained and communicated to me in order that the requisite number of men required for the Jail, may come forward for the appointments here.

Inspector General of Prisons

No. 755/F 12

Office of the Superintendent, Central Jail,
Dated, Bangalore the 3rd July 1917.

From

The Superintendent,
Central Jail, Bangalore.

To

The Inspector General of Prisons
in Mysore, Bangalore.

Sir,

I have the honor to bring to your kind notice that the daily average number of absentees in the Warder Establishment for the past eight months i. e. from October 1 9 1 6 to June 1917, was 20 and much inconvenience is therefore being felt in deputing paid warders to the different posts inside the Jail, and for guarding prisoners working out-door. Convict officers are being posted within the Jail enclosure and the Jail garden, where paid warders were being deputed before, owing to the paucity of warders of the latter class.

2. In order to get over this difficulty I have tried to get men from the Military and other departments. But the references made to (1) Chief Commandant, Mysore State Troops, (2) The Pension Pay Master, Bangalore, and (3) The Superintendent of Police, Bangalore District, have so far been fruitless and I have not been able to get any men, as the pay offered in the Jail is too low and the work more - responsible and exacting than elsewhere. I understand that as the present pay and prospects in the Police and other Departments have been increased, many of our men have been seeking service in those departments and some already are serving there, while those who have put in several years of service here and therefore hold on to their present posts, are dissatisfied with the pay they get here. The pay of the police men has recently been raised to Rs. 8, 9, 10

and

The Jails concerned with this have been addressed viz Military Commandant Mysore for Peons Sought.

and 11 and it is understood that a further increase of rupee one will be proposed or sanctioned early.

3. Moreover, the Government in their order No. J. 4636/ Pris. 35-15-19 dated the 26th/27th May 1916 have fixed the standard height and chest measurements of warders appointed in the Jails to be not less than 5 feet 5 inches and 32 inches respectively It is found difficult to get men, who answer the above conditions. Though these requirements are not strictly insisted on in case of temporary warders, it has not been possible for me to get the required number of men even in this class.

4. Under the above circumstances, I request you will be so good as to get early sanction of Government for increasing the pay of the warders and Head Warders by Rs. 2/- in each grade in order that the requisite number of men may come forward for the appointements in the Jail.

5. I further request that as men of 5 feet 5 inches are not easily procurable, the standrad height of warders, who may be appointed, may kindly be reduced to 5 feet 3 inches.

Sir,

In forwarding herewith a copy of letter No. 478/F.95 dated 1st May 1918 received from the Superintendent, Central Jail, Bangalore, I have the honor to bring to your kind notice the unfavourable conditions existing in the Jail in the matter of guarding prisoners. The Superintendent of the Jail has sufficiently explained in his letter the difficulty experienced by him. Some of the warders had struck work recently for 3 days owing to the exacting nature of work required to be performed by them in conformity with the Jail Manual. I have also to bring to your notice that the recruitment for Jail service continues to be very poor. Most of the men on the warder establishment are undersized, and it is very hard to get men to replace them, who answer the prescribed standard of chest and height measurements as required by rule 174 of the Jail Manual. The only remedy which lies in the matter is to increase substantially the pay and prospects of warders, so that men of better physique and attainments may be attracted to accept Jail service.

2. Under the circumstances, I request that you will be so good as to place the matter before Government for reconsidering their order No. J. 4248-9/Pris. 26-17-7 dated 17th April 1918 in the light

1/

I have the honor to be,

Sir,

Your most obedient servant,

Inspector-General of Prisons.

Letter No. 478/F.95 dated 1st May 1918 from the Superintendent, Central Jail, Bangalore, to the Inspector-General of Prisons in -- Mysore.

I have the honor to bring to your kind notice that on the - night of 26th April 1918-"Karaga" feast day- only 4 warders turned up for night duty to guard the Jail. From this, it can be inferred - how indifferently the warders work and in case they are punished -- they leave service as they have better chance of earning very high - wages outside. If there is any out-break or disturbance in the Jail, we shall not be in a position to quell the disturbance or check the outbreak without at least a few warders. The Government in their - order No. J. 4248-9/Pris 26-17-7 dated the 17th April 1918, have -- sanctioned only an allowance of Rupee one, for a period of one year only, to the warders and Head warders, who are drawing Rs 7,8,9 and 10, when a recommendation was made for an increase of Rs 2/- each - to their pay.

2. The City Police are stated to be started on Rs 10/- with -- effect from 1st May 1918, with better prospects of promotion. I do not see any reason why the warders of the Jail who do more responsible work should be paid less.

3. Before the Police got the present increment, it is reported that the warders were paid more than the Police and the scale of pay of the Police Department, was increased twice, once in 1914 and a - second time now. But the scale of pay of warders, was revised so far back as 1905, when the rates of food grains were far cheaper than -- those prevailing at present, which are abnormally high.

4. The small temporary increase of an allowance of rupee one will not in any way attract men to join Jail service considering the abnormally high wages offered outside to an ordinary labourer and the very tempting offers in the Military recruitment.

5. At present, there are 32 vacancies and 12 absentees among the warder establishment and there will be some casual absentees also for some reason or other. Sanction for the entertainment of 12 additional ~~warders~~ warderesses and two wardresses to guard condemned prisoners, who are 13 in - number at present, (12 Males and 1 Female) was also not sought for,

owing

owing to the existing vacancies in the warder staff itself. Considerable difficulty is therefore experienced in both guarding the Jail and in sending the full compliment of out-door gangs to the Palace, the Residency and the Dewan Sahib's quarters. Frequent complaints are being received for not sending the full compliments of out-door gangs. At times, the out-door gangs are not sent at all for want of warders

6. Under the circumstances, I request that Government may kindly be addressed once again to sanction an increase of pay of Rs 2/- to the pay of warders and head warders, who are drawing up-to Rs 15/- per mensem, as in the case of the Police Department and the warders be bound over by law to give 3 months notice in case they leave the Jail service.

7. It is also highly desirable that the lines for the warder - establishment be built as early as practicable, for efficiently guaring the Jail both day and night, as required by the rules laid down in the Mysore Jail Manual.

8. The favour of early orders in the matter are solicited.

Some time back you told me that the enhanced rate of pay to the Warders of this Jail was almost sanctioned but till now I have not receiv orders.

As considerable difficulty is being experienced for want of Warders, I hope you will kindly expedite matters. I doubt even if the proposed enhanced pay would attract men for Jail service. A communication has been sent to the Recruiting Officers to send us even the disqualified men; even this source has failed.

Yours Sincerely.
